**NATIONAL CONFERENCE
ON
RECENT ADVANCES IN
CHEMICAL SCIENCES
(NCRACS-2023)**

March 19-20, 2023

**P.G. Department of Chemistry
Berhampur University
Bhanja Bihar, Berhampur-760007
Ganjam (Odisha)**

P. G. Department of Chemistry, Berhampur University is going to organize a two-day National Conference on "Recent Advances in Chemical Sciences" during March 19-20, 2023.

Objective of the Conference:

The conference aims to address the wider issues pertaining to Chemical Sciences along with interdisciplinary subjects and to explore emerging areas in Chemistry applied to health, drug discovery, Physical sciences, biological sciences, biotechnology and other applied sciences. This conference will provide opportunity for interactive, exchanging, knowledge sharing platform to all the participants and the core experts coming from different parts of India.

Topics of Interest:

Keeping the wider perspective and scope, the following are topics of interest but not limited to Organic Synthesis, Organometallic, Physical Chemistry, Drug discovery, Medicinal Chemistry, Nano chemistry/Nanotechnology, Solar Cells, Environmental Chemistry, NMR studies, Biotechnology, Molecular Biology, Bioorganic Chemistry, Bioinorganic Chemistry, Chemical Biology, Applied Chemistry, Materials Chemistry, any interdisciplinary Chemistry-allied sciences and other areas of chemical sciences applied to health-drug discovery and human well-being.

Call for paper/abstracts:

The conference comprises of invited lectures by eminent academicians, scientists, Industry delegates and oral presentations by research scholars and students. Active participation in scientific session covering the topic of the Conference is welcome. Delegates are requested to submit of the abstract (limited to 250-300 words, MS word, 12 font, Times New Roman, underlining the presenting author) of the paper to be presented and/or to be published in the souvenir latest by 12th March, 2023 to the Convener by e-mail: ncracs2023@gmail.com along with registration fee details. Poster size: 3' x 4' (W X L)

About the University:

Berhampur University was established on 2nd January 1967 and has remained as the symbol of glory and prosperity for the people in India especially Southern Odisha, spreading over an area of 250 acres land. The University is located 10 Km from beautiful Silk City-Berhampur and 5 Km from the sandy beach Gopalpur-on-Sea. There are twenty four post graduate departments in the University offering specialized subjects, and Ph. D. programmes. The University has achieved great distinction in the research-academics for quality production of Postgraduates, Ph. D., D. Lit and D. Sc. degrees.

P.G. Department of Chemistry:

P.G. Department of Chemistry of Berhampur University established in 1972 offers two year M.Sc. and Ph.D. degree in Chemistry. Since its inception the department has grown appreciably, in terms of broadening of research activities. The department offers research facilities in field of Organic synthesis, Drug discovery, Organometallic, Physical, Nano Chemistry, Medicinal Chemistry etc.

Registration:

All the participants are required to register in advance in the given link:
