

NATIONAL CONFERENCE ON
RECENT TRENDS IN BIOSCIENCES, BIOTECHNOLOGY AND
BIOINFORMATICS (RTBBB-2023)
21-22 NOVEMBER 2023

About the Conference

National conference on Recent Trends In Biosciences, Biotechnology and Bioinformatics- 2023 (RTBBB 2023) is envisaged to provide a platform for academicians, scientists, researchers, and students to interact through deliberations on various recent developments in the field of plant science research. The conference has been meticulously planned to cover a wide spectrum of topics such as Plant Biotechnology, Plant Biochemistry and Stress Biology, Molecular Biology and Genetics, Plant Physiology, Applied Microbiology, Applied Algology, Bioinformatics & Computational Biology, Ethnobotany & Medicinal Plants, Natural Products and Drug discovery, Biodiversity and Environmental Science. The focus of this conference is to deliberate upon various modern and emerging trends in plant sciences for human welfare and sustainable development. The conference will have plenary, keynote and invited lectures by renowned workers as well as presentations by young and emerging researchers. This will be an opportunity for the young researchers to interact with established academicians, scientists and entrepreneurs from various parts of the country and brainstorm for the welfare of the society.

About the University

Berhampur University was established on 2nd January 1967 and has remained as the symbol of glory and prosperity for the people in Odisha, especially Southern Odisha, spreading over an area of 250 acres of land. It is located 10 Km from beautiful Silk City Berhampur and 5 Km from the sandy beach Gopalpur on-Sea. It offers specialized Postgraduate courses, Ph.D., and D.Sc. / D.Lit. programs.

Department Profile

The Department of Botany was established in the 1969 founded by late Prof. Harihar Patanaik, a renowned algologist of his time. The department offers two years M.Sc. course in Botany. Since its inception the department has grown appreciably, not only in terms of students and faculty strength but also in terms of the introduction of new courses, specializations, broadening research activities. The department also offers Ph.D. programme suitably designed to equip the students with both theoretical and practical knowledge. Recently, the Department celebrated GOLDEN JUBILEE YEAR -2019.

Call for Abstracts/Papers

Papers are invited in the area of Biosciences, Biotechnology & Bioinformatics focused on emerging areas:

- Plant Biotechnology
- Plant Biochemistry and Stress Biology
- Molecular Biology and Genetics
- Plant Physiology
- Applied Microbiology
- Applied Algology
- Bioinformatics & Computational Biology
- Ethnobotany and Medicinal Plants
- Natural Products & Drug Discovery
- Biodiversity & Environmental Science.

Office Bearers

- Chief Patron**
 Prof. Geetanjali Dash
 Vice-Chancellor, Berhampur University
- Chairperson**
 Prof. Sushanta Ku. Baral
 Chairman, PGC, BU
- Patron**
 Mr. Sachidananda Nayak
 Registrar, BU
- Coordinator**
 Dr. Mrutyunjay Jena
 Convener
- Dr. Biswa Ranjan Meher**
 Coordinator, Dept. of Botany, BU
- Organizing Secretary**
 Dr. Sarita Das
- Co-Convener**
 Dr. A. Leelaveni
- Co-Organizing Secretary-cum-Treasurer**
 Dr. Padmalochan Hembram

Abstract Submission Process

The abstract will be accepted in pdf/docx format, not exceeding one page containing a title that fits into the conference's theme with the name(s) and affiliation of the author(s).
