Details of Posts, Eligibility criteria and Emoluments

Applications are invited in plain paper along with self attested photocopies documents for the following posts

1. Research Associates (RA) or Post-Doctoral Fellow(PDF):

- A.** Must have a PhD. Degree in Physics/Chemistry/ Materials Science/Electronics or related areas with at least three publications in Web Science or Scopus indexed journals. The candidate must also have a first-class in Bachelor or Master Degree from a recognized university. Candidates having research experience in optical sensors would be given preference.
- B.** The consolidated monthly emoluments would be Rs 30,000/- per month at lowest and Rs. 40000/- per month at the highest with an increment of 5% per year on satisfactory performance based on achievement of set milestones.
- C.** The applicant would be required to give a seminar on his research area in the presence of an assessing committee. The appointment would be renewable annually after an academic review by the VC.
- D.** The RA or PDF, as the case may be, would be required to work both in the lab or the field and would be required to publish at least 1 per year in a WSC indexed journal paper on the area of work being done at the Centre of Excellence.

2. Technical / Research Assistants:

- A.** Applicants must hold a second class master degree in Physics with at least 55% marks in aggregate.
- B.** Must be less than 30 years of age on the last date of advertisement
- C.** Experience with computers, instruments and research would be preferred.
- D.** To be selected through an interview.
- E.** Gross emoluments will not exceed Rs. 12000/- per month with fixed-term appointment renewable annually.

3. Office Assistant:

- A.** Minimum 12th pass with age not exceeding 25 years as on the last date of advertisement
- B.** Elementary knowledge of computers and office work
- C.** To be selected through an interview.
