National Conference on Emerging Frontiers in Chemical Sciences- 2023 (NC FCS-2023) 5-6th Nov, 2023

Department of Chemistry, Berhampur University, Odisha

About the Conference

The conference aims to address the wider issues pertaining to Chemical Sciences and to explore emerging and Frontiers areas in Chemical Sciences applied to health, drug discovery, material sciences, Physical sciences, biological sciences, biotechnology and other applied sciences. The national conference will provide unique opportunity for interactive, exchanging idea, knowledge sharing platform to all the participants with the core experts coming from different parts of India.

About the University

Berhampur University was established on 2nd January 1967 and has remained as the symbol of glory and prosperity for the people in Odisha, especially Southern Odisha, spreading over an area of 250 acres of land. It is located 12 Km from beautiful Silk City Berhampur and 5 Km from the sandy beach Gopalpur on-Sea and walkable distance from Rangeilunda domestic airport. It offers specialized Postgraduate courses in 27-Departments, Ph.D., and D.Sc./D.Lit. programs.

Chemistry Department Profile

P.G. Department of Chemistry of Berhampur University established in 1972 offers two year M.Sc. and Ph.D. degree in Chemistry. Since its inception the department has grown appreciably, in terms of broadening of research activities. The department offers research facilities in field of Organic synthesis, Drug discovery, Organometallic, Physical, Nano Chemistry, Medicinal Chemistry etc. **The Golden Jubilee Year: 2022**

Conference Committee

Chief Patron:	Prof. Geetanjali Dash Vice Chancellor Berhampur University
Patron:	Prof. Susant K. Baral, Chairman, PG Council, BU
Coordinator:	Dr. Gannang Phaoemi
Convener:	Dr. Bibhuti Bhusan Parida
Organizing Secy.:	Dr. Satyanarayan Sahoo
Co-convener:	Dr. Laxmidhar Rout
Jt. Secy.-cum	
-treasurer:	Dr. Rabinarayan Sahu
Jt. Secretary:	Dr. Aurobinda Mohanty

Call for Abstracts/Papers

Papers are invited in the area of Emerging Frontiers in Chemical Sciences:

- Organic Synthesis, Drug Discovery, Medicinal Chemistry, Natural Product Synthesis.
- Organometallic
- Nano chemistry/Nanotechnology,
- Physical Chemistry, Solar Cells
- Bioorganic Chemistry, Bioinorganic Chemistry
- Chemical Biology, Applied Chemistry, Materials Chemistry
- interdisciplinary Chemistry-allied sciences and other areas of chemical sciences applied to health-drug discovery and human well-being.

Abstract Submission Process

Active participation in scientific session covering the topic of the Conference is welcome. Participants are requested to submit of the abstract (limited to 300 words, MS word, 12 font, 1.5 line space, Times New Roman, underlining the presenting author) of the paper to be presented and/or to be published in the souvenir latest by 27th October, 2023 to the Convener by e-mail: ncefcs2023@gmail.com along with registration fee details.

Poster size: 3' x 4' (W x L).

There shall be Poster/Oral presentation award.

Acceptance of the abstract shall be intimated to the participants, after which full paper of original and unpublished work to be submitted not exceeding 5000 words to the email: ncefcs2023@gmail.com for publishing in conference proceeding with ISSN/ISBN number as appropriate (through review process).

Registration Fees

Faculty/Scientist/Academician:	Rs. 1200/-
Research Scholar:	Rs. 800/
Student:	Rs. 600/
Industry Delegates:	Rs. 3000/-

Registration:

All the participants are required to register in advance in the given link:
