ABOUT THE FDP

The one-week Faculty Development Programme on "MATLAB and its applications" sponsored by the World Bank assisted 'Odisha Higher Education Program for Excellence and Equity' (OHEPEE)-IDP aims to enhance the proficiency of faculty members of colleges and universities in utilizing MATLAB for practical applications. The program will provide participants with hands-on experience in using MATLAB for data analysis, mathematical modeling, and simulation. By the end of the program, the faculty members will be equipped with the skills and knowledge to integrate MATLAB into their teaching and research, enabling them to provide their students with a more practical and real-world oriented education.

Programme Highlights

- Basic MATLAB
- Statistics with MATLAB
- Machine Learning with MATLAB
- Deep Learning with MATLAB
- Image Processing with MATLAB
- Bioinformatics Applications with MATLAB
- Performing Text Analytics with MATLAB

ABOUT US

Maharaja Sriram Chandra Bhanja Deo University

Maharaja Sriram Chandra Bhanja Deo University (MSCBU) (Erstwhile North Orissa University) was established by the Government of Odisha under the section 32 of the Odisha University Act, 1989 (Act 5 of 1989). The University is recognized by the University Grants Commission under 2(f) and 12(B) of UGC Act, 1956 with effect from 15th February 2000 and 21st June 2006, respectively. MSCBU is recognized by Bar Council of India, IGNOU, NCTE and included in the list of Association of Indian Universities and Association of Commonwealth universities. Recently, it has been accredited with Grade A by NAAC. It is envisioned that the University emerges as a powerful agent of disseminating and advancing knowledge, excellence and equity and fostering community linkage activities thereby contributing towards an enlightened and sustainable civil society.

Department of Computer Application

The Department of Computer Application had a humble beginning in 2004 as a self-financing Department and received regular status Department of the university in 2012. The department has its own dedicated building and infrastructures. The department strives to achieve excellence in teaching-learning, research and extension activities with emphasis on innovations. Over a foundation of core values – quality, high academic standards and integrity- the department has progressed in a sustained manner.
