About the University

Maharaja Sriram Chandra Bhanja Deo University (MSCBU) (erstwhile North Orissa University) was established by the Government of Odisha under the section 32 of the Odisha University Act, 1989 (Act 5 of 1989). The University is recognized by the University Grants Commission under 2(f) and 12(B) of UGC Act, 1956 with effect from 15th February 2000 and 21st June 2006, respectively. MSCBU is recognized by Bar Council of India, IGNOU, NCTE and included in the list of Association of Indian Universities and Association of Commonwealth universities. Recently, it has been accredited with Grade 'A' by NAAC. It is envisioned that the University emerges as a powerful agent of disseminating and advancing knowledge, excellence and equity and fostering community linkage activities thereby contributing towards an enlightened and sustainable civil society.

About the Department

The Post-Graduate Department of Zoology was established in 2004. The department is intended to be one of the leading centers for Zoological research, teaching and learning, where pursuit of knowledge and excellence shall reign supreme and inculcate animal welfare values and ethics. The department has MoUs with Zoological Survey of India; Department of Agriculture, Govt. of Odisha; Central Tasar Research and Training Institute, Ranchi; Central Institute of Freshwater Aquaculture, BBSR. The department pursues different collaborative projects with BRICS nations, BARC, CIFA and industries. The faculty members have filed patents, developed product and transferred technology. The Department has a museum with QR coding system for museum specimens.

Accommodation

Limited accommodation on sharing basis can be arranged as per availability in hostels/ HRDC building.
