

About the University

The Maharaja Sriram Chandra Bhanja Deo University (NAAC 'A') was established in the year 1998 and is included in the list of Association of Indian Universities and Association of Commonwealth Universities. The territorial jurisdiction of the University covers Mayurbhanj district of Odisha. This district is thickly populated with aboriginal people. There are 64 affiliated colleges, both general and professional, catering to the needs of higher education in the region. As development depends crucially upon human capital, MSCBU acts as a beacon light to this region so as to pull up the underprivileged youth to the national mainstream.

About the Department

The Post-Graduate Department of Economics, Maharaja Sriram Chandra Bhanjadeo University was established in the year 2004 with the objectives of imparting quality teaching and to undertake research activities relevant to societal needs. At present, the department consists of three Associate Professors, and one Assistant Professor. The department offers M.A., M.Phil., and Ph.D programmes. The faculty members are engaged in research activities on various inter-disciplinary and emerging areas, viz., Environmental Economics, Social and Rural Development, Finance and Macroeconomic Issues, Tribal livelihood, etc.

About the Location

The Maharaja Sriram Chandra Bhanjadeo University campus is located in outskirts of Baripada Town, the headquarter of Mayurbhanj district. Natural beauty and biodiversity of Baripada is highly acclaimed. It is 250 km from Kolkata, 220 km from Tatanagar and 260 km from the State Capital Bhubaneswar. The town of Baripada has a railway station. It is moderately well connected to many destinations in India. Trains to Cuttack and Bhubaneswar will be available from Baripada Railway Station and that will charge around Rs. 120/- for the basic class of travel. The nearest two airports are Bhubaneswar and Kolkata. It is also well connected by bus to all places of the State.

Two Days

National Seminar

On

**Climate Change: Issues
and Challenges**

23-24 May, 2023

Organized by
Department of Economics
MSCB UNIVERSITY
Baripada-757003

About the Seminar

Climate change has been widely recognized as a major challenge to the world, with significant environmental, economic and social consequences. Environmental sustainability has a strong focus on the needs of future generations. This refers to balance environment and ecological concerns with socio-economic aspects of development. Climate Change and Environmental Sustainability focus on the development and implementation of systems, pathways, ideas, solutions, technologies, strategies, pilot cases and exemplars that are relevant to climate change impact measurement and assessment, mitigation and adaptation strategies and techniques, public participation and governance.

Therefore, the present seminar is conceptualized to provide a shared forum for academicians, researchers and policy makers to discuss such emerging issues and advances in the areas of climate change and environmental sustainability to promote the economic development of our society. This seminar will encourage the involvement and participation of all professions of society to accelerate climate change mitigation and adaptation progress.

Sub-themes

Climate change: impact on agriculture & allied sectors
Climate change & sustainability of tourism
Climate change effects on industry
Climate change and health
Climate change: impact, mitigation and adaptations
Climate change and natural resources
Climate change and Energy
Climate change and water resources

Call for Papers

Papers are invited on the themes indicated. Paper presenters may adhere to the guidelines.

Guidelines for Paper Presenters

Theoretical and empirical research papers submitted for presentation must be original, previously unpublished, and not under consideration for publication elsewhere. The text should be 1.5 spaced throughout and text should be in Times New Roman 12 point. Abstract should maximum 300 words. The last day for receipt of abstracts is 15th May 2023. Information of selected abstracts will be communicated through email by 17th May, 2023. Full papers of accepted abstracts in APA format may be submitted on or before 20th May, 2023. Both the abstract and the full paper should be sent by e-mail to nsc.mscbu@gmail.com in MS Word Format only. Selected research papers presented during the seminar will be published as an edited volume with ISBN Number. However, the decision of the Jury will be final for selection of the papers to be published.
