THE CREST

“Tamasomam Jyotirgamaya” meaning “Lead me from darkness unto light” atop is the motto of the Berhampur University.

The sailing ship at left symbolises the maritime glory of ancient Kalinga and represents as well the port of Gopalpur situated within the region of the University.

The temple to the right is the renowned black pagoda, the Sun Temple at Konark which stands for the achievements of the people of Odisha in the realm of art and architecture.

At the base are the lamp and the book, the eternal symbols of light and knowledge.

The name of the University is inscribed in Odia, the language of the region, above the book and the lamp.

PREFACE

It is my privilege and honour to make this introductory remarks on the annual report of Berhampur University for the calendar year 2018. I joined the University as its vice-chancellor in October 2019, and found that we had missed presenting our annual progress report for the year 2018. Hence, the delayed presentation now. All our university departments and only a few affiliated colleges responded to our request for providing information for the year 2018, which was later collated and put succinctly in pre-print mode by Sh. Surya Prakash. Dr. Satyabrata Patro and Dr. Bonomali Khuntia helped in the initial stages of data collection, after my request to all to provide data for the report.

Berhampur University has steered the academic landscape of south Odisha for more than a half century. The University departments along with its 140+ affiliated colleges with specialisation in science, arts, commerce, medicine, nursing, law and other subjects, have imparted quality education to thousands of students each year in this tribal dominated region. We have stood up to our challenges well and made a significant mark in the hearts and minds of people. The alumni have been very top class excelling in science, politics, administration, medical profession, legal, public policy and governance and as teachers etc. We understand learning and imparting knowledge is multidimensional and unending process and we look forward to serve the State and Nation with right earnest and with a global perspective.

I have immense pleasure and privilege in placing the Annual Report of the University for the year 2018 containing the details of the activities of the University, before the Senate for its consideration as per the requirement of Section 9(3)(ii) of the Odisha Universities Act, 1989 and on behalf of the Syndicate.

I place on record my deep sense of gratitude and appreciation to the members of the the Syndicate, Senate (now dissolved as per the new ordinance 2020), the Academic Council, teachers, students, officers and staff of the University; Principals of constituent and affiliated colleges and other stakeholders of the University for their cooperation, support and motivation. I assure everybody of our commitment and dedication for further progress of our university and to take it to the eminent place that it deserves in the academic annals of 21st century.

Prof. G.J. Chakrapani
Vice-Chancellor

PUBLISHER'S NOTE

The Annual Report for 2018 has been prepared in compliance with Section 9(3) (ii) of the Odisha Universities Act, 1989. This report is an attempt to present the activities of the University in a brief and precise manner for the information of public in general and all the stakeholders of the University in particular. This Report is divided into three parts. While it contains the Administrative Branch and the Post-Graduate Departments in Part-I, the information pertaining to the Constituent and Affiliated Colleges is covered in Part-II. Part-III of this Report contains information relating to Academic and Research Centres, Examination & Degrees, and Finance & Accounts. The Report is prepared for the calendar year 2018 beginning from 1st January 2018 to 31st December 2018, except the finance and accounts data which are presented for the Financial Year 2018-19 i.e. from 1.4.2018 to 31.3.2019.

I take this opportunity to convey my deep sense of gratitude to all those associated in preparing this report. The support and cooperation extended by the university officials, teachers and non-teaching staff and authorities of the constituent and affiliated colleges is gratefully acknowledged.

We are very happy to offer this report to the academic community and other stakeholders of the University. We welcome all suggestions for strengthening our efforts in fulfilling our vision and mission.

Shri Ranjan Kumar Biswal, OAS (S)
Registrar

CHAPTER-I

INTRODUCTION

Berhampur University was established on 2nd January 1967 with a mandate to cater to the educational needs of the people of the State, especially 7 southern districts of Odisha with a sizeable tribal population having very low literacy rate and weak financial condition. In the past five decades since our existence, the University has carved out a very strong position for itself in teaching, research and extension activities.

The University is striving hard to build a very strong public image, perception and goodwill through substantial changes in its work culture on the one hand and continuously making need-based reforms in the academic, administrative and examination systems of the University, on the other.

As a matter of fact, Berhampur University is the first University in the State to be accredited with A-Grade by the NAAC in 2016 and the University is now getting prepared in a planned way for the next NAAC Accreditation in 2021. The University with the help of NIC, has developed and implemented online automation system for Student Life Cycle Management from entry to exit of a student. During the year of this report, the University has increased its student intake capacity in the campus from 1,200 students to around 2,000. In the current academic session nearly 7,500 students applied for around 1,000 seats.

With the financial assistance received from RUSA, UGC and State Government, the University has added the following infrastructure, which will go a long way in offering quality education to the students: (i) Two girls hostel with an intake capacity of 350, (ii) Built common mess – one for boys another for girls – in their respective hostel boundaries, (iii) campus security is enhance by installation of CCTV.

The new buildings constructed are in use for, Chemistry Department, IR and PM Department, HRD Centre with Residential accommodation for 100 participants, Library Building Extension, One new Academic Building. With the cooperation and support of all stakeholders, the University has been able to build a campus boundary wall with financial assistance from Government of Odisha and an entrance gate for the university with financial assistance from NALCO. Further, we have been able to divert the state highway passing through the University campus. These developments have been instrumental in building a secured and healthy environment.

The University has received Rs. 23.29 crore from World Bank-funded Project OHEPEE and the University is trying to develop and strengthen some of its infrastructural facilities in the campus and for holistic development of the university. With financial assistance from the Government of Odisha, the University is constructing 30 teaching quarters spending Rs. 10 Crore. The Central Instrumentation Centre building has been constructed spending Rs. 7 Crore. The construction of extension building for Electronic Science costing Rs. 1 crore and extension building for the Departments of Botany and Zoology costing Rs. 1 crore are under progress. Biometric Attendance of teachers and employees has been implemented during the year under report. Faculty members are being encouraged to prepare and submit research proposals to National and International funding agencies for financial assistance and increase their research visibility. In the following pages the detailed report on the activities and achievements of the University during the year 2018 are presented.

PLANNING AND RESEARCH SECTION

Research Projects funded by the UGC, MOES, DST, INCOIS, Ministry of Defence and Department of Science and Technology are in operation at Berhampur University. During the year under report, 01 Project Scientist, 06 Research Associates, 1 Senior Research Fellow, 1 J.R.F., 10 Project Fellows, 1 Language Documentation Officer, One Cartographer, One P.A and One Multi Task Messenger are working in different Research Projects.

The following Research Scholars are working in different P.G Departments of the University during the year under report:

Sl. No.	Funding Agency	No. of Research Scholars
1.	Rajiv Gandhi National Fellowship Programme of UGC (SC)	30
2.	Rajiv Gandhi National Fellowship Programme of UGC (ST)	08
3.	UGC JRF NET	05
4.	DST INSPIRE Fellowship Programme	11
5.	CSIR Scheme JRF – 1 and SRF – 1	02
6.	Biju Patnaik Research Fellowship of Science and Technology (P.G. Department of Zoology)	02
7.	UGC BSR Fellowship Programme (P.G. Department of Marine Sciences)	02

The University Grants Commission has sanctioned an amount of Rs. 8.00 lakh towards Start-up Grants under BSR (Basic Scientific Research) in favour of Dr. Sarita Das, Lecturer in Botany.

Dr. P.C.Mishra, Department of Commerce, and Dr. A.K.Panigrahy, Department of Botany are continuing as UGC Emeritus Fellows during the period under report.

The Department of Science and Technology, Ministry of Science and Technology, Govt, of India has sanctioned and released an amount of Rs. 51.00 lakhs as 1st Installment to the Department of Physics, Berhampur University under FIST Programme. The Govt, of Odisha in the Department of Higher Education released an amount of Rs. 3.50 Crore under World Bank assisted Programme "Odisha Higher Education Programme for Excellence and Equity" (OHEPEE) out of the allocated fund of Rs. 23.29 Crore. The U.G.C has selected the P.G. Department of Odia, Berhampur University under Special Assistance Programme(SAP) from DRS-I to DRS-II for a period of five years (1.4.2018 to 31.3.2023) and released a tune of Rs. 9,90,000/- out of the allocated grant of Rs. 77.00 lakhs

The following research projects are in progress in different P.G. Department under the financial assistance of different schemes during 2018.

1. Department of Marine Sciences: Gopalpur Port consultancy Project entitled "Environmental Monitoring of Gopalpur Port" by Professor P.K.Mohanty.
2. Department of Zoology: The Department of Biotechnology has sanctioned "Bioinformatics Infrastructure facilities Centre to the Department of Zoology". Dr. Gitanjali Mishra is the Coordinator of the Centre.
3. Department of Zoology: D.B.T Project entitled "Studies on Commercially important fish of Gopalpur Coast, Odisha in the Bay of Bengal and Development of Database using Bar code technique" by Dr. T.K.Barik.
4. Department Electronic Science: DRDO Project entitled "Development of High Speed RCS Computation Scheme" by Dr. D.C.Panda.
5. Department of Electronic Science: D.S.T Govt, of Odisha Project entitled "Physical Modelling of Turi using digital web guide Technique " by Dr. R.K.Mishra.
6. Department of Botany: D.S.T, Govt. of Odisha sponsored project entitled " Marine Algal Diversity of Odisha Coast and its Potential for production of Vitamin B12" by Dr. Mrutyunjaya Jena.
7. Department of Chemistry: D.S.T (SERB) Project entitled "DOS Approach for Sesquiterpene anti malaria drugs" by Dr. L.D.Rout.
8. Department of Linguistics: UGC Sponsored Scheme entitled "To Study and Research in Indigenous and Endangered Languages in India "during XII Plan period by Dr. Mrs. Smita Sinha.
9. Department of Botany: MoEF&CC(Ministry of Env., Forest & Climate Change) Project entitled "Marine Algal Diversity of East Coast Region of India with Special reference to Molecular Phylogeny of some Green Phytoplankton" by Dr. M.Jena, Dept. of Botany.
10. Department of Marine Science: MoES Project of Prof. P.K.Mohanty entitled "Prediction of coastal water quality" by Dr. P.K.Mohanty.

11. Department of Chemistry: S& T Project entitled "Diversified Chiral Hemicotarnines for Future Cancer Drug" by Dr. L.D.Rout.
12. Department of Chemistry: SERB (Science and Engineering Research Board) under Teachers Associateship for Research Excellence (TARE) has sanctioned financial assistance to undertake project entitled "Synthesis of some carbohydrate functionalized thiourea and thiazolidinones and their applications as analytical reagents for estimation of toxic metals and fluoride ions in industrial effluent water" by Dr. S.N.Sahoo.

POST-GRADUATE DEPARTMENTS

Post-Graduate Department of Botany

1. **Year of Establishment: 1969**
2. **Head of Department: Professor Devi Prasana Patnaik, Chairman, P.G. Council**
3. **Faculty Details:**

Name	Designation	Qualification	Specialistion
Dr. Mrutyunjay Jena	Lecturer & Coordinator	Ph.D.	Algology
Dr. (Ms). A. Leelaveni	Lecturer	Ph.D.	Ecotoxicology
Dr. Sarita Das	Lecturer	Ph.D.	Medical microbiology
Dr. Biswa Ranajan Mehera	Asst. Professor	Ph.D.	Computational Biology and Bioinformatics
Dr. Padmalochan Hembram	Asst. Professor	Ph.D.	Plant Molecular Biology

4. **Student Enrolment:**

8. Seminars/Conferences/Workshops attended by the Teachers of the Department:

Dr. Mrutyunjay Jena :

1. Attended and presented paper (Oral presentation) in the National conference on “Biotechnological Interventions for Environmental Stress Management in Plants and Microbes and 42nd Annual Conference of Orissa Botanical Society” organized by P.G. Department of Botany, Utkal University, Bhubaneswar from 20th to 21st January, 2018.
2. Attended in the 2nd International workshop on Biodiversity and Climate Change (BDCC2018), organized by CORAL, Indian Institute Technology, Kharagpur, West Bengal, from 24th -27th February, 2018.
3. Attended and presented invited lecturer in the 2nd International workshop on Biodiversity and Climate Change (BDCC2018), organized by CORAL, Indian Institute Technology, Kharagpur, West Bengal, from 24th -27th February, 2018.
4. Attended and presented invited lecturer in the National Level Seminar on “Perspectives of Human Health, Microbial Biotechnology and Innovation”(PHMBI-18) organized by Department of Human Physiology with Community Health and Department of Microbiology, Vidyasagar University, West Bengal, from 2^{7th} to 2^{9th} March, 2018
5. Attended in the Seminar on “Plastic Pollution and Coastal Environment” organized by Zoological Survey of India Estuarine Biology Regional Centre Gopalpur on Sea, Odisha., MoEf and CC, Govt. of India. On 5th June, 2018.
6. Attended and presented paper in the National Seminar on “Plants for sustainable Development and Clean Environment & 43rd Annual Conference of Orissa Botanical Society” organized Department of Botany, School of Applied Sciences Centurian University of Technology & Management, Bhubaneswar from 23rd to 24th December 2018.

Dr. A. Leelaveni:

1. Participated in Adnat Silver Jubilee Convention International Symposium on Biodiversity and Biobanking Biodiverse 2018, Organized jointly by: Centre for the Environment, Indian Institute of Technology Guwahati, Directorate of Sericulture, Bodol and Territorial Council & Association for Promotion of DNA Fingerprinting and Other DNA Technologies (ADNAT). 27-29 January, 2018.
2. Participated in a Refresher course carried out in “Prospecting of Biosciences” commenced on 21st August 2018 to 10th September 2018 at Utkal University, Odisha.

Dr. Sarita Das:

1. Attended and presented paper in the 42nd Annual Conference of Orissa Botanical Society” National seminar on “Biotechnological Interventions for Environmental Stress Management in Plants and Microbes and organized by P.G. Department of Botany, Utkal University, Bhubaneswar from 20th to 21st January, 2018.
2. Attended and presented paper in 20th Odisha Bigyana O Paribesh Congress and National seminar held on 17-18th Nov 2018 at NISER, Bhubaneswar
3. Attended and presented paper in 43rd Annual conference of Odisha Botanical Society and National seminar on Plants for sustainable development held on 23-24th Dec 2018 at Centurian University, Bhubaneswar

9. Research Activities of the Department:

(a) Research Projects undertaken in the Dept. (Give details): 03

1. Project entitled: Role of natural glycosides in anti adhesive therapy and uropathogenesis, funded by **UGC-BSR startup grant of Rs 10 lakh (P.I. Dr. Sarita Das)**
2. Project: Marine Algal Diversity of Odisha Coast and Its Potential For Production of Vitamin-B₁₂, funded by S & T, Department Govt. of Odisha of Rs. 9.6 Lakh **(P.I. Dr. Mrutyunjay Jena)**
3. Marine algal diversity of East Coast of India with special reference to molecular phylogeny of some green microalgae. Funded By MoEF and CC, Govt. of India under AICOPTAX- Phytoplankton project. Total Budget: Rs. 21.73 lakhs, ref. F. No. 22018/19/2015-Ce (TAX), 18/January-2018 **(P.I. Dr. Mrutyunjay Jena)**

(b) Research Fellows in the Department :

College Development Council

Director: Prof. Debi Prasana Patnaik

The College Development Council (CDC) of Berhampur University was established as per the guidelines of the University Grants Commission and in accordance with the Statute-253 of the Orissa Universities First Statutes, 1990. The major objectives of the College Development Council is to have an interface between the affiliated colleges and the University; to act as the gateway to the University Grants Commission, New Delhi and to take pro-active initiations to improve the quality education in college level. The CDC is operational by one of the senior most Professor of the University in addition to his own duties as a Professor.

Seventy-three colleges affiliated to Berhampur University are enlisted section 2(f) and 12 (B) and 15 colleges under the section 2(f) of the UGC Act, 1956. Some of these colleges avail UGC financial assistance for academic development of the Colleges. CDC forwards all proposals of the affiliated colleges to the UGC, for getting financial assistance under infrastructural grants, library books, equipment, major and minor research projects, organisation of seminars and conferences, autonomy grant, teacher fellow and other developmental schemes during 12th plan period. There are five Autonomous colleges under Berhampur University, namely:

1. SKCG Autonomous College, Paralakhemundi, Gajapati district.
2. Vikram Deb Autonomous College, Jepyore, Koraput District
3. Government Autonomous College, Phulbani, Kandhamal District
4. Rayagada Autonomous College, Rayagada, Rayagada District
5. Autonomous Science College, Hinjilicut, Ganjam District.
