

## ABOUT THE INSTITUTE

**C. V. Raman Global University (CGU), Odisha** was established as per "Odisha Act 01 of 2020". The university's vision is to develop integrated scholastic ability and skills in students, through quality education. Especially linking knowledge and skill seamlessly through experiential learning, leading to competence for employability, innovation, research, and entrepreneurship. Then taking India's knowledge and innovation across the globe and create a new paradigm.

CGU has evolved and come a long way from being an engineering college named C.V. Raman College of Engineering (CVRCE) established in 1997. Since its inception, it was wedded to quality and steadfastly remained committed to bringing about rapid transformations in the field of technical education. This led to the establishment of smart classrooms, world-class labs, skilled courses, and over 25 Centers of Excellence in collaboration with industries. This includes Bosch Rexroth, Festo, Siemens, Schneider Electric, Cisco, AWS, CDAC, Tata technologies, Marcraft, GalSen, Quasar to our advance manufacturing center catering to PSUs, ISRO to global industries.

This linking of skills and knowledge has led to research projects, consultancy, and production of industrial components worth multiple crores, to CGU student winning India's first gold by an Indian in world skills. The university today has over 20 startups under its AIC and TBI incubation centers. Further CGU trains 1000s of children under skilling program working with Gov of Odisha and GoI. Leveraging the NEP2020 process CGU aspires to be a truly global university.

## ABOUT THE DEPARTMENTS

### MECHANICAL ENGINEERING (ME)

The **Department of Mechanical Engineering** is one of the oldest departments in CGU existing from the time inception. The programs in the department have been accredited and are imparting quality education linked with experiential learning. The department also has multiple skill-based learning Center of Excellence established in collaboration with industry including those of Bosch Rexroth, Festo, Robotics, Industry 4.0 ready center for manufacturing, and an advanced center for Air-conditioning and Refrigeration (HVAC). Students trained under these centers have won awards at national and international events like World Skills and BRICS skill contests.

The faculty members of the department are involved in a wide range of research and the department has received grants over crores of rupees. The department provides thriving teaching, learning, and research environment and offers B.Tech., M.Tech. and Ph.D. programs.

### BUSINESS MANAGEMENT (BM)

The **Department of Business Management** at CGU-Odisha is imparting quality education in the field of business management from UG level till Ph.D. The basic objective of these programs is to make students corporate-ready, by equipping and updating them with a holistic view of the ever-involving business environment of the globe.

All the faculty members are experienced and hold a doctoral degree in their respective domains. They have published research papers in various journals of national and international repute.

## FACULTY DEVELOPMENT PROGRAM

on

**Leadership and Excellence:**  
**A need in the era of Disruptive Transformation**  
**(January 03 to 07, 2022)**

**ORGANIZED BY**

**Department of Mechanical Engineering  
&  
Department of Business Management**

**C. V. Raman Global University, Bhubaneswar,  
Odisha-752054  
(CGU-Odisha)**

**SPONSORED BY**

**AICTE Training And Learning (ATAL) Academy  
New Delhi**

## ABOUT THE FDP

**Leadership and Excellence** have become paramount important in the era of disruptive transformation. Academia is no exception to this. With the launch of NEP 2020, this has become even more important as the role of academic institutions has been redefined and the expectations from faculty members have completely changed. Faculty members are now expected to lead creative and innovative teams in higher education.

**This FDP at CGU-Odisha** is a small but very firm step towards achieving this goal. We at CGU-Odisha have enough infrastructural and leadership support to create an environment conducive to guide and support disruptive transformation in times of the circular economy. Our University relies on the in-house expertise of a diverse group of creative and innovative higher education leaders to inspire students and other stakeholders to reflect, experiment, and evolve their professional practice.

## TOPICS TO BE COVERED
