C. V. Raman Group of Institutions, Bhubaneswar

Office of the Principal

NOTICE

Ref: CVRCE/PO/SN/001/2017   **Date: 04.01.2017**

In continuation with earlier notification on the subject, it is for general information to all students that CVRCE is actively engaging in the initiative taken by AICTE on **Smart India Hackathon 2017**, the **36 hours nonstop digital product development competition**.

The students are being encouraged to participate in large numbers in the digital product development competition to showcase their skill. The team (consisting of six members, **minimum one has to be female member**) is required to formulate an Idea/Approach Details based on any platform for providing solution to the identified problem statement areas. (**Already 574nos. of identified problem statements are available in the link-https://innovate.mygov.in/sih2017/**).

It is required to send the team details and their approach in the specified submission template latest by **10th Jan 2017** through their respective department. Submission templates is available at **https://innovate.mygov.in/wp-content/uploads/2016/12/Idea-Solution-and-College-Nomination.pdf**

The following schedule is desired to be followed:

Event	Date
Submission of Proposal (through respective Departments)	10.01.2017
Awareness Workshop on Smart India Hackathon 2017	14.01.2017
Proposal Screening at Institutional Level	17.01.2017

For detailed terms and condition please visit **https://innovate.mygov.in/terms-conditions/**

For any query you can contact Dr. S. Chowdhury, Asst. Registrar (Academics), Mobile- +91-8984856799, Email: **s.chowdhury@cvrce.edu.in**.
